

# Adopt-A-Family Sponsorships

**Community Action of Laramie County is sponsoring the 2022 Adopt-A-Family event. We are once again asking for cash donations, so low-income families and caregivers are able to purchase gifts for the children in their household. The amount each qualified family may receive will be based upon the total amount of donations received, and will be equally distributed to the families. Your donation will make the holiday so much brighter for the low-income families in our community!**

**When you send your donation, please make the check payable to Community Action of Laramie County. We also accept cash or Venmo, just scan the QR Code. Please note on your donation that it is for the Adopt-A-Family event. Thank you for your continued support of this wonderful project!**
