Independent Auditor's Report

Board of Directors Community Action of Laramie County Cheyenne, Wyoming

Report on the Financial Statements

We have audited the accompanying financial statements of Community Action of Laramie County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action of Laramie County, as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

Other Matters

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 11, 2023, on our consideration of the Community Action of Laramie County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Community Action of Laramie County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Community Action of Laramie County's internal control over financial reporting and compliance.

Non-cash transactions:

During the year, Community Action of Laramie County transferred all Headstart related assets to another community action organization. The net value of items donated was \$891,961. This value has been accounted for as a discontinuance of operations as the Organization will no longer run a Headstart program.

Notes to Financial Statements

Note A Organization

Community Action of Laramie County (the Organization) is a nonprofit corporation that involves the community in assessing the local needs and attacking the causes of poverty. The four pillars of the Organization are to promote self-sufficiency housing, early childhood education, improve social services, and engage the public sector. The Organization operates primarily in the Cheyenne, Wyoming area.

The Organization offers a broad array of programs and services all designed to help people and change lives. The Organization administered the following community based projects during the year ended June 30, 2021:

Health Care for the Homeless (HCH): This program provides comprehensive primary health care for the homeless in Cheyenne. Services include medical consultation, evaluation and treatment, prescription assistance, laboratory, X-rays, limited dental and visual services, mental health and substance abuse counseling, and transportation in coordination with health care appointments.

Self-Sufficiency: This program provides financial assistance to low-income individuals and families in emergency situations. The goal of the program is to enable individuals to become self-sufficient. The program provides qualified individuals with housing, or with short-term monetary assistance for deposits, rent, fuel, or other needs. Grant funds are used primarily for emergency assistance situations; therefore, the type of assistance that can be provided is governed by the grant received. The Organization owns apartment complexes and homes for qualified low-income clients. The Organization also owns an apartment complex to house homeless veterans as part of the VA Grant and Per Diem program. Rental income received is included in program income on the statement of activities and changes in net assets. The duration of use of these properties by the clients is limited to two years, during which time the Organization provides case management to help the clients become self-sufficient.

Kinship Support Services: This program assists grandparents over the age of 55 who are raising their grandchildren. The program provides support groups, monthly respite, and assistance with guardianships and other issues unique to these individuals.

Cheyenne Farmer's Market: The event begins in August and runs through the beginning of October. The market, which is held on Saturdays only, features farmers and vendors with fresh fruits and vegetables, honey, breads, pastries, and cheeses. The Organization receives a commission from these vendors based on sales.

Note B Summary of Significant Accounting Policies

Basis of Accounting

The accounts of the Organization are organized on the basis of grants, each of which is considered internally to be a separate accounting entity. The operations of each program are accounted for by providing a separate set of self-balancing accounts, which consist of assets, liabilities, net assets, revenue, and expenses, as appropriate. However, for financial reporting purposes, all accounts of the Organization are presented as one entity in accordance with accounting principles generally accepted in the United States.

Notes to Financial Statements

Note B Summary of Significant Accounting Policies (Continued)

Change in Accounting Policy

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers* (Topic 606). This ASU, as amended, provides comprehensive guidance on the recognition of revenue from customers arising from the transfer of goods and services, guidance on accounting for certain contract costs, and new disclosures. The new standard supersedes current revenue recognition requirements in FASB Accounting Standards Codification (ASC) Topic 605, *Revenue Recognition*, and most industry-specific guidance. The Organization adopted the guidance as of July 1, 2020 and applied Topic 606 on a retrospective basis. There were no changes to reported revenues, net assets, or change in net assets.

New Accounting Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842). This ASU provides guidance on the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under previous accounting standards and new disclosures on key information about leasing arrangements. The new standard supersedes current leases accounting in FASB Accounting Standards Codification (ASC) Topic 840, *Leases*. When adopted, the amendments in the ASU must be applied using a modified retrospective approach. ASU No. 2016-02 is effective for nonpublic companies for annual periods beginning after December 15, 2021. The Organization is currently evaluating the impact of the provisions of ASC 842.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- Net assets without donor restrictions Net assets that are not subject to donor (or certain grantor) restrictions. The governing board can also designate, from net assets without donor restrictions, net assets for a specific purpose. The Organization currently has no board designated net assets.
- Net assets with donor restrictions Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Cash and Cash Equivalents

The Organization considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Notes to Financial Statements

Note B Summary of Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable consist primarily of rent amounts owed. The Organization has elected to record bad debts using the direct write-off method. Generally accepted accounting principles require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Grants Receivable

Grants receivable represent amounts due from federal and state agencies. Past history has indicated that all receivables are collectible. The Organization has elected to record bad debts using the direct write-off method. Generally accepted accounting principles require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Prepaid Expenses

Prepaid items represent payments made by the Organization for which benefits extend beyond June 30, 2021.

Property and Equipment

Purchased property and equipment is recorded at cost while contributed property and equipment is recorded at fair value. The Organization capitalizes all property and equipment in excess of \$5,000 and minor replacements, maintenance, and repairs are charged to expense as incurred. When property and equipment are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the statement of activities and changes in net assets for the respective period. Depreciation is provided over the estimated useful lives of the related assets using the straight-line method for financial statement purposes. The respective federal grantor departments retain reversionary interests in any equipment acquired with federal funds. Disposition of such equipment is subject to rules and regulations of the United States Government. Assets acquired with support without donor restrictions of the Organization are not subject to reversionary interests.

The estimated useful lives for significant property and equipment categories are as follows:

Vehicles5-10 yearsFurniture and equipment3-10 yearsBuildings and improvements5-30 years

Notes to Financial Statements

Note B Summary of Significant Accounting Policies (Continued)

Impairment of Long-Lived Assets

The Organization reviews long-lived assets, including property and equipment and intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset and its fair value are less than the carrying amount of that asset. The Organization has not recognized any impairment of long lived assets during 2021.

Accrued Annual Leave

Accrued annual leave represents the Organization's liability for the cost of unused employee annual leave in the event of employee terminations. During the first year of service, an employee can earn up to ten days of vacation. During the second year of service, an employee can earn up to 12 days of vacation and an additional day for each year thereafter. Employees reach the maximum vacation allowable of 20 days in their 10th year of employment. Employees must take a minimum of one week vacation time per year. Full-time employees of the Organization may carry over unused vacation leave accrued. Upon termination of employment, up to 160 hours of vacation is payable to the employee.

Contribution Revenue

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identification of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met

Conditional contributions are recognized when the barrier(s) to entitlement are overcome. Unconditional contributions are recognized as revenue when received.

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

Notes to Financial Statements

Note B Summary of Significant Accounting Policies (Continued)

Contribution Revenue (Continued)

Program contributions represent amounts contributed by program beneficiaries. The contributions are to help defray the cost of the specific program in which the beneficiary received assistance. The contributions are recorded as net assets with donor restrictions due to the implied stipulation that the contributions be used in the program the beneficiary received assistance. When a restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of activities and changes in net assets as released from restriction. If the restriction is satisfied in the year of contribution, the contribution is recorded without donor restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Grant Revenue

Grants are recorded as either contributions or exchange transactions based on the criteria contained in the grant award.

- Grant Awards That are Contributions Grants that qualify as contributions are recorded as invoiced to the funding source. Revenue is recognized in the accounting period when the related allowable expenses or asset acquisition costs are incurred. Amounts received in excess of expenses or asset acquisitions are reflected as a refundable advance liability.
- Grant Awards that are Exchange Transactions Exchange transactions typically reimburse based on a
 predetermined rate for services performed and are those in which the resource provider receives a
 commensurate value in exchange for goods or services transferred. The revenue is recognized in the period
 the service is performed.

Functional Allocation of Expenses

The costs of providing the Organization's various programs and supporting services have been summarized on a functional basis in the statement of activities and changes in net assets. The statement of functional expenses presents an analysis of expenses by nature and function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on time records (such as salaries and wages, payroll taxes, and employee benefits) or by estimates (such as building costs, insurance, and repairs and maintenance by square footage of area) made by the Organization's management.

Notes to Financial Statements

Note B Summary of Significant Accounting Policies (Continued)

Income Taxes

The Organization is organized as a nonprofit and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, no provision for income taxes has been made in these statements. The Organization is subject to examination of their federal income tax filing in the United States, generally for the three preceding tax years. There were no uncertain tax positions taken by the Organization. In the event that the Organization is assessed penalties and/or interest, penalties will be charged to other operating expense and interest will be charged to interest expense.

Advertising

Advertising costs are expensed as incurred. Advertising expense was \$7,490 and for the year ended June 30, 2021.

Use of Estimates

Preparing the Organization's financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Organization has evaluated events and transactions for potential recognition or disclosure in the financial statements through April 11, 2023, which is the date the financial statements were available to be issued. Management has determined that there were no subsequent events requiring recognition or disclosure in the financial statements.

Note C Liquidity and Availability of Financial Resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Year Ended June 30, 2021	2021
	040.605
Cash and cash equivalents	\$ 819,695
Grants receivable	301,453
Accounts receivable	4,991
Total financial assets without donor restrictions	1,126,139
Less: Deferred revenue	(219,604)
Total financial assets available for general expenditure	\$ 906,535

Notes to Financial Statements

Note C Liquidity and Availability of Financial Resources (Continued)

The Organization has a formal liquidity policy which requires it maintain financial assets in liquid form such as cash and cash equivalents for 30 days of normal operating expenses. The Organization can rely on a lower cash balance as they are primarily funded with cost reimbursement grants. A liquidity review is performed on a weekly basis. Under cost reimbursement grants, once expenses are incurred an organization can request reimbursement from the funding source. The Organization's grants have varying renewal dates. In addition, the Organization has a line of credit with ANB Bank that it can draw upon to assist with any cash needs.

Note D Property and Equipment

A summary of changes in property and equipment for the year ended June 30, 2021, is as follows:

		Balance		Disposals and		Balance
	J	uly 1, 2020	Additions	Transfers	Jι	ine 30, 2021
Property and equipment being depreciated at cost:						
Vehicles	\$	914,359 \$	61,410	\$ (542,034)) \$	433,735

Less accumulated depreciation		(1,721,766)	(92,605)	665,825		(1,148,546)
Total property and equipment, net of			_			_
depreciation	\$	1,549,846			\$	854,891

Note E Paycheck Protection Program

At June 30, 2020, the Organization had a refundable advance liability of \$479,949. This amount represented the receipt of an award from the Small Business Administration's (SBA) Paycheck Protection Program (PPP) as a result of legislation passed to assist businesses in navigating the Coronavirus pandemic. The Organization determined the award is a conditional grant and applied the policy as described in Note B. Accordingly, the award was reported as a refundable advance liability until the conditions were substantially met or explicitly waived.

In December 2020, the Organization was informed by the lending institution that the Paycheck Protection award was fully forgiven. The Organization recorded the forgiven refundable advance liability as grant and contracts revenue for the year ended June 30, 2021.

Notes to Financial Statements

Note F Long-Term Notes Payable

Long-term notes payable consist of the following:

Note payable to Wyoming Community Development Authority (WCDA); interest	
at 2%; monthly payments of \$551; matures December 2023; secured by property \$ 16,102	
Note payable to WCDA; interest at 2%; monthly payments of \$81; matures December 2023; secured by property 1,901	
Note payable to WCDA; interest at 1%; monthly payments of \$43; matures June 2030; secured by property 4,420	
Note payable to WCDA; interest at 0%; monthly payments of \$483; matures June 2035; secured by property 80,231	
Deferred note payable to WCDA; interest at 0.0%; no required monthly payments; forgivable if the property purchased with the funds is used for certain purposes through April 2060; secured by property 60,600	
Deferred note payable to WCDA; interest at 0.0%; no required monthly payments; forgivable if the property purchased with the funds is used for certain purposes through September 2029; secured by property 87,400	
Deferred note payable to WCDA; interest at 0.0%; no required monthly payments; forgivable if the property purchased with the funds is used for certain purposes through January 2024; secured by property 24,360	
Total long-term notes payable 275,014	
Less current portion(13,560)Total long-term portion\$ 261,454	—

Long-term debt maturities for years ending June 30 are as follows:

2022	Ş	13,560
2023		13,707
2024		9,557
2025		6,284
Thereafter		231,906
	\$	275,014

In addition to the notes payable, the Organization maintains a line of credit with ANB Bank. The line is for \$185,000 with an interest rate of 5.5%. The line matures in July 2022. There were no draws against the line of credit during the year ended June 30, 2021. As of the date of this report, the line had been renewed again.

Notes to Financial Statements

Note G Operating Leases

The Organization leases office, program facilities, and motor vehicles under operating leases that generally have terms from one to five years with the largest, office rental, maturing in 2025. Monthly rental cost varies between \$268 to \$6,200. Rental and lease expenses for the year ended June 30, 2021 was \$124,000. Future minimum lease commitments as of June 30, 2021, are as follows:

	Lease	Lease Payments	
2022	\$	70,328	
2023		71,610	
2024		39,060	
_Total	\$	180,998	

Note H Donated Goods and Services

Donated goods and services for the year ended June 30, 2021, are as follows:

	2021
Materials and supplies Professional services	\$ 45 54,210
Total	\$ 54,255

Contributions of services are recognized in the Organization's financial statements only if: (1) the services enhance or create non-financial assets or require specialized skills, (2) are provided by individuals possessing those skills and (3) would typically need to be purchased if not provided by donation. During the year ended June 30, 2021, there were no services or related fringe benefits donated by non-professionals and parents.

Note I Employee Benefit Plan

The Organization sponsors a defined contribution 401(k) plan. Eligibility for participation in the plan is limited to part-time and full-time, regular employees who exceed 1,000 hours per year and have been employed for a minimum of one year of service. The Organization typically contributes 3% of the employees' gross salaries, plus match employee contributions up to an additional 3%. However, the retirement plan contribution was suspended in November 2018. Retirement plan expenses for the year ended June 30, 2021 was \$0.

Note J Economic Dependency

The Organization received \$2,232,477 in fiscal year 2021 in grant awards from federal and state agencies. This represents 70% of total funding for the year audited. These funds are essential for the Organization to continue to meet its contractual obligations. A decrease could impair the Organization's operations.

Notes to Financial Statements

Note K Contingency

The Organization participates in a number of federally assisted grant programs that are subject to audit and adjustment by the grantors. The grantor audits of these programs, if any, for or including the year ended June 30, 2021, have not yet been conducted. Accordingly, the Organization's compliance with applicable grant requirements will be established at some future date. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial.

Note L Exit from Headstart Services

The Organization ran a Headstart program for many years. During fiscal year 2021, it became apparent that the needs of those receiving benefits from this program would be better serviced through another Headstart Agency, and therefore all Headstart related assets were transferred to a new servicer and all services and individuals were transferred. The total value of assets transferred and transfer costs, net of depreciation, was \$960,430.

Notes to Schedule of Expenditures of Federal Awards

Note A Basis of Accounting

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Community Action of Laramie County, Inc. (the Organization), and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements. Because the Schedule presents only a selected portion of the Organization's operations, it is not intended to and does not present the Organization's financial position, changes in net assets, or cash flows.

Expenditures on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-though entity identifying numbers are presented where available.

Note B Indirect Costs

The Organization has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance. The Organization has a provisional, federally negotiated indirect cost rate of 9.3%.

Note C Subrecipients

The Organization does not have subrecipients or subrecipient expenditures.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors Community Action of Laramie County Cheyenne, Wyoming

We have audited, in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Action of Laramie County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated April 11, 2023

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Community Action of Laramie County's internal control. Accordingly, we do not express an opinion on the effectiveness of the Community Action of Laramie County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

Wippei LLP

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action of Laramie County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Wipfli LLP

Billings, Montana April 11, 2023

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors Community Action of Laramie County Cheyenne, Wyoming

Report on Compliance for Each Major Federal Program

We have audited Community Action of Laramie County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action of Laramie County's major federal programs for the year ended June 30, 2021. Community Action of Laramie County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action of Laramie County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action of Laramie County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on Community Action of Laramie County's compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action of Laramie County complied, in all material respects, with the types of compliance requirements referred to above that have a direct and material effect on each of its major programs for the year ended June 30, 2021.

Other Matters

The results of our auditing procedures disclosed other instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2021-001. Our opinion on each major federal program is not modified with respect to this matter.

Community Action of Laramie County's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action of Laramie County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of Community Action of Laramie County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action of Laramie County's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action of Laramie County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we did identify certain deficiencies in internal control over compliance, described in the accompanying schedule of findings and questioned costs as item 2021-001, that we consider to be a significant deficiency.

Community Action of Laramie County's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action of Laramie County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs June 30, 2021

Section I - Summary of Auditor's Results

<u>Financial Statements</u>		
Type of auditor's report issued:	Unmodified	
Internal control over financial reporting:		
Material weakness(es) identified?	YesX	No
Significant deficiency(ies) identified not considered to be material weaknesses?	YesX	None reported
Noncompliance material to the financial statements noted?	Yes <u>X</u>	No
Federal Awards		
Internal control over major programs:		
Material weakness(es) identified?	YesX_	_ No
Significant deficiency(ies) identified not considered to be material weaknesses?	XYes	None reported
Type of auditor's report issued on compliance for major programs:	Modified	
Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	XYes	No
Identification of Major Federal Programs:		
AL Number(s)	Name of Federal Program or Cluster	
93.224	Health Center Program Cluster	
93.569	Community Services Block Grant	
Dollar threshold used to distinguish between Type A and Type B programs:	\$750,000	
Is the auditee qualified as a low-risk auditee?	YesX	No

Schedule of Findings and Questioned Costs June 30, 2021

Section II - Financial Statement Findings None

Section III - Federal Award Findings and Questioned Costs

2021-001 Reporting - Late Audit Submission

Funding Agency: U.S. Department of Health and Human Services

Title: Health Center Program Cluster and Community Service Block Grant

CFDA Number: 93.224 and 93.569

Award Number: H08CS0042, H8CCS35107, and H8DCS35862

<u>Criteria or Specific Requirement:</u> As required by the Federal Register notice dated June 26, 2007, auditees are required to submit a completed Form SF-SAC, along with one complete reporting package, to the Federal Audit Clearinghouse on/before the earlier of 30 days after receipt of the auditor's report or nine months after the end of the audit period. During 2020, this requirement was extended by six months for audits due March 31, 2021. The new filing deadline for the Organization was September 30, 2022.

Condition: An SF-SAC report was not timely filed.

<u>Context:</u> Due to the COVID-19 pandemic and other extenuating circumstances, the audit was unable to be submitted to the Federal Audit Clearinghouse in a timely manner.

Questioned Costs: To be determined by grantor.

<u>Effect:</u> The Organization is at risk of jeopardizing the continued funding provided by federal agencies.

<u>Cause:</u> The absence of meeting the applicable reporting requirements is largely due to key employee turnover within the financial positions. The Organization also lacks adequate processes related to special reporting requirements.

<u>Auditor's Recommendations:</u> We recommend that the Organization train employees and institute processes to ensure reporting requirements are addressed and complied with.

<u>View of Responsible Official:</u> The delay in our FY2021 audit being completed timely, was due to the FY2020 audit delay, which involved the Office of Head Start issuing a letter releasing the match for the periods of the fiscal year 2019/20. Once we received the final results from FY2020 Audit, we were already late for the FY2021 filing at that time. We began the corrections and prepared the FY2021 filing as soon as possible. We are now back on track to file the FY2022 promptly.

Schedule of Findings and Questioned Costs June 30, 2021

Section IV - Prior Year Audit Findings

2020-001	Journal Entries - Implemented
2020-002	Allowable Activities - No longer applicable
2020-003	Special Reporting - No longer applicable
2020-004	Reporting - Late Submission - Restated as 2021-001
