OLDER RELATIVE CAREGIVER PROGRAM

Our Older Relative Caregiver Program is designed to assist older caregivers (55+) who are raising relatives either under the age of 18 or under the age of 59 and living with a disability. The program's mission is to instill a sense of hope, accomplished by linking families to community resources; offering assistance in required document completion; hosting monthly support group meetings with provided caregiver respite; and by offering a variety of supplemental services.

Inside:

February Support Group • P2

Black History Figures • P8,9,10

What Is Self-Love & Why Is It Important?

Loving yourself involves embracing your entire being, including your strengths and weaknesses, triumphs and challenges, successes and mistakes. Self-love is a healthy and stable self-concept based on your own ideas, observations, and values rather than others' opinions and judgments.

How to Love Yourself: 22 Tips

1. Identify and embrace your strengths
2. Develop a mindfulness practice
3. Keep comparisons in check
4. Set healthy boundaries
5. Set small, tangible goals and follow through
6. Write down your accomplishments and what you're proud of
7. Let go of shame and be your authentic self

How to Love Yourself: 22 Tips

- 8. Love yourself unconditionally—no strings attached
- 9. Practice daily affirmations
- 10. Carve out time for things that feed your soul
- 11. Learn and practice what works for you
- 12. Forgive yourself for past mistakes
- 13. Interrupt your negative thoughts
- 14. Challenge your critical beliefs

How to Love Yourself: 22 Tips

- 15. Practice gratitude for your life
- 16. Do things for others
- 17. Connect with positive people
- 18. Take care of your body and mind
- 19. Improve your self-confidence
- 20. Set realistic expectations
- 21. Heal your inner child
- 22. Embrace creativity
