

Community Action of Laramie County and the Cheyenne Farmers Market, in conjunction with Cheyenne Frontier Days, are thrilled to announce that the 2021 Cheyenne Farmers Market will return to B Lot at Frontier Park. CFD has once again generously donated their space for the 2021 Market.

The 2020 Cheyenne Farmers Market was a huge success, despite the exceptional circumstances and last-minute planning. Community Action and CFD are looking forward to another successful season.

The first Market will take place on August 14, 2021 and will continue each Saturday from 7:00 am to 1:00 pm through October 9, 2021. We look forward to returning to a ten-week market next year.

The Cheyenne Farmers Market is the primary fundraiser for Community Action of Laramie County, a leader dedicated to reducing poverty in Laramie County. Community Action programs include the Crossroads Healthcare Clinic, providing health care to our homeless and low-income neighbors and is the only federally qualified health care center in the state administering the COVID-19 vaccine. Community Action also administers the only intensive case management program in the state dedicated to putting our homeless and low-income neighbors on the path to self-sufficiency. The Kinship Support Services program provides support, respite, and assistance to families of grandparents raising their grandchildren. Finally, the Jonn J. Edmunds Veterans Home and the VA Bridge Housing program provide transitional housing and case management to homeless veterans in Cheyenne and Laramie County. This is the only program in Wyoming to have designated housing for female and LGBTQ veterans. The funds raised at the Cheyenne Farmers Market go right back into helping Community Action serve our most vulnerable neighbors through these programs.

Cheyenne Frontier Days has been drawing crowds for 125 years by providing the best in western entertainment. The "Daddy of 'em All" is a critical part of our community and looks forward to once again partnering with Community Action of Laramie County to host an incredible 2021 Cheyenne Farmers Market.

Please contact Community Action of Laramie County at (307) 635-9291 ext. 119 or email gina@calc.net if you would like to learn about sponsoring the 2021 Market.

We look forward to seeing you on August 14!
