Older Relative Caregiver Program

If you are, or know of, an older relative who is caring for a younger relative, Community Action of Laramie County has openings for our Older Relative Caregiver Program.

This program connects caregivers to resources in the community, offers a monthly support group and dedicated case management to ensure the success of the family. Our mission is to instill a sense of hope and support to a changing family unit.

"May your troubles be less, and your blessings be more,
and nothing but happiness come through your door."

Irish Blessing

Approved Project Hope participants enter into a 1 year contract to receive intensive case management services to enhance life skills, achieve and maintain their housing, build social skills and community relationships and to address their individual needs with the goal of becoming self-sufficient.

Working in close partnership with the Cheyenne VA Medical Center, our Veteran Housing Services provides short-term housing for homeless veterans as they work with case managers to secure permanent housing.

Crossroads Healthcare Clinic provides primary medical care, mental health services and substance abuse services to individuals and families who are currently homeless and a small percentage of low-income persons who are currently housed.
